Captain H. F. Kettner of the 13th Regt.
1st, having applied for a certificate on
which to depend applications for leave of
absence. He has not shown that I have
examined this officer. I must first that he
has had some conversation of the brain and
in consequence thereof he is, in my opinion,
unfit for duty. I further declare my belief
that he will not be able to resume his duties
in a brief period. There are also that
a change of climate is necessary to prevent
permanent disability.

Sir

I have the honor herewith to tender
my resignation as 2nd Lieut in Company
2nd 13th Regiment Ky Vols.

The company at present numbers only
twenty four (24) enlisted men, with three
(3) Commissioned Officers, which renders
me superfluous: Besides some troubles
which have recently occurred ^{to my} family
make it necessary for me to return home.

I certify on honor that I am not
indicted on any account to the United States
I have no Government property in my
possession, except such as I can turn over
to the proper Officer on the acceptance of
my resignation. I have not been absent
without leave. I was paid fairs by Major
Stone, to include the 31st day of October
1863

I am Sir
Very respectfully
Yours
Wm Lloyd Garrison

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or adjutant of other person having such knowledge, will be appended—as the adjutant in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h, b, &c.*; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspection, the last part of the certificate will state that the "discharge was given by command of the surgeon, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edn. 1881.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be masked or purposely produced; and in no case shall such certificate be given unless the officer is fully satisfied that he can detect any attempt at deception.

AND CORRECTED BY

DIRECTOR

This certificate will be made out in duplicate by the surgeon in charge of the hospital, or other officer commanding the regiment, detachment, or company where the soldier is held. The original will be sent to the regimental, detachment, or post commander, who will forward it to the division commander, or, if the troops are not attached to a division, to the corps, department, or other commander or officer to whom the authority to discharge soldiers may be specially delegated.

When forwarding, after having received the copies of the report, the surgeon or other officer is required to be sent, will be returned to the proper authority, when the soldier's discharge, and the high 12 per cent statement to duplicate, and forward copies of these to the Adjutant General United States Army, at Washington, D. C. The 7 will not under any circumstances be given as the basis of the pension.

FINAL STATEMENT

OF

Company

Charles H. 72
1st Regt of
Volunteer Infantry

Chas. H. 72
1st Regt of

Volunteer Infantry

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c. due him, and the captain or other commanding officer commanding the company will certify to the act of the drafting of the duplicate certificate; on these certificates the Soldier is "credited to" the discharge, and should present the discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his arms, the Company Commandant will certify to that fact on the back of both the final statement, and also to the time he has pay due for having been or mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statement, he should give it to him, if he has one, should be taken up by the officer who gives the final statement, and endorsed with a reference to the effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statement, the clothing for which the Soldier was allowed pay on his final statement, the company account, and all other charges against him or in his favor, so as to compare a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the reverse side upon which the Soldier's discharge is reported. The description of the Soldier's discharge is reported. This object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these returns, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statement. From the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department, and other miscellaneous charges, should appear under the heading of "Other Discharge."

NOTE 4.—Changes for loss or injury to uniform, horse, equipment, and other miscellaneous charges, should appear under the heading of "Other Discharge."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwarrant must be entered on the money roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, he should be reported as such, and the final statement be sent with the final statement, to the General Auditor, Washington, D. C.

Adj. Gen. J. C. Clark
Sir

I have the honor to tender my
resignation as 1st Lieut Co. G. 18th Regt, Ky, Vol. Inf.
Unconstitutional and unnecessary for the
following reasons, viz:

1st - When I entered the service of the U. S. I done
so through good, pure patriotic motives, in order
to aid as far as I could to restore the Union.

2d - Under the delusion belief that the war
was for the restoration of the Union, under the Constitution
I served 18 months in the army, to find that a party
known as seceders, to be substituted for that
Constitution to which I swore allegiance.

3d - I sent in two separate resignations before this
wishing to leave the service with as few complaints
and as little noise as possible, but they were
disapproved of by the Corps & Department and I was ordered
to remain in the service with no alternative but to resign and
quit the service as well as my dismissal.

I do hereby certify that I am not indebted to the
U. S. that I have no government property in my possession
that I have not been charged with and that
there are no charges against me that
can affect my pay. Last paid by Paymaster

Alfred C. Higgins
13 Reg't of Kentucky

13 Reg't of Kentucky

at Chicksaw, Ala. Oct. 1864

COMPANIES OF
AND 6-REGIMENT OF

REGTS

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the surplus or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificate; on these certificates the Soldier is "entitled to his discharge," and should also present his discharge to the Paymaster to have the paymaster entered on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has paid for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the clothing for which the Soldier was allowed pay on his final statement, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account in the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. This report of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of three master rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statement. These accounts for time the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, team equipment, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—A statement due the Soldier and Landowners must be entered on the master roll on which the discharge, draft, detention, &c., is reported, as well as the final statement, showing the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, to the proper authorities, and should be entered on the master roll, as a detached, to the 3d Auditor of the Treasury Department.

a. a. g.

Having lost a parent in the
last few months, our business demanding
attention - requires my personal attention.
My Mother who is upwards of sixty years of
age, being left entirely alone and unprotected,
needs my assistance in supplying the wants
and necessities of the family, also my own
business as well as my Brothers, who is in the
same regiment with me, being unsettled
for two years requires attention.

I would furthermore state that my Company
numbers only thirty four men present.

With an aggregate of fifty two, I would be
left in charge of a Captain and Lieutenant.

No my absence would not be detrimental
to the Service. I feel it to be a duty I owe my
family and myself to return home if possible.
I do therefore respectfully tender my resignation
as 1st Lieutenant of Company B. 13th Regiment
of Kentucky Inf. Sincerely,

I do also certify 1st I am not indebted

to the United States. 2nd I have no
Government- property in my possession.
3rd I have not been absent- "without-leave".
4th I was last paid up to June 30th 1868
and there are no charges against-me,
which can affect-my pay

FINAL STATEMENT

Big Feet & Sons Co
 13 Reg't of Kentucky Inf

VOLUNTEERS.

Qui Oct 30 1864

NOTE 1.—Two of these certificates (or discharges) are to be given to each Volunteer Soldier or draft man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMANDING OFFICER commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "enabled to have his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, he describes the list. If he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to the effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was entitled pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comply with a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter on the muster roll upon a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of above muster roll, and the Soldier receive any pay or allowance due him for the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for both pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to uniforms, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—A receipt due the Soldier and Landwarrant must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the account cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and detached men, as well as for others.

NOTE 8.—Where a Soldier dies in the field or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

ADJUTANT GENERAL'S OFFICE.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, and all the circumstances appeared: the duty, or service, or disease originated or appeared: the injury was received or contraction of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of duty; and whatever other facts may aid a judgment as to the cause, and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of regulars, &c., &c.

When a *probable* *cause* for *pension*, *special* *care* must be taken to state the *degrees* of *disability*—as *h*, *h*, *dec*, *etc.*; to describe particularly the *disability*, *wound*, or *amputation*; to extend to which it deprives him of the use of any limb or organ, or affects his *health*, *strength*, *activity*, *constitution*, *family*, or affects his *health*, *strength*, *activity*, *constitution*, *family*, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the *cause* or *origin* of the *disability*. In the case of *disability* by Medical Inspection, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for *disability*, the nature, degree, and origin of which are correctly described in the Medical certificate."

1941. 1941 Regulations, Edn. 1941.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic inflammation, derangement of the urinary organs, ophthalmia, phthisis, or any obscure disease liable to be feigned or partially produced; and in no case shall such certificates be given until after sufficient time and examination to detect any attempt at deception.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid in a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as b, b, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, exertion, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

For 1860 Regulations, Exile, 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangements of the urinary organs, syphilis, ulcers, or any obscure disease liable to be feigned or purposely prevaricated; and in no case shall such certificate be given until sufficient time and examination to detect any attempt at deception.

DIRECTORY

This certificate will be made out by the soldier's company commander, or other officer commanding the company who has been sent to attend the soldier, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward same to the regimental, detachment, or post commander, who will forward same, with his action endorsed thereon, through the proper channels, to the division commander; or, if the troops are not attached to a division, to the corps department, or other commander to whom the authority to discharge soldiers may be specially delegated.

Those certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the evidence of the proper authority, sign the soldier's discharge, and the last certificate on this paper, and that the soldier is to be paid with the proper final allowances in discharge, and forward both of them, certified to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given back to the hands of the soldier.

CONV. AND
AND CIRCULAR

303

The company commander will here add a statement of the facts known to him concerning the disease or wound, the cause of disability of the soldier; the time, place, manner, or situation of the injury which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted on the line of his duty; and whatever other facts may aid in the judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or assistants of other surgeons having such knowledge, will be appended—as the surgeon in charge of a hospital, the doctor commanding detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for previous, general care must be taken to state the degree of disability—as *a, b, &c., &c.*; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

For 1820 Regulations, Edit. 1831.

For Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, phthisis, vicaria, or any chronic disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTORIAL.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company who has knowledge of the facts, and sent by him to the surgeon who has knowledge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three copies to the regimental detachment, or post commander, who will prepare to do the required detachment, or post commander, who will forward them, with the section ordered detached, through the proper channel, to his division commander; or, if the troops are not attached to a division, to the corps department, or other commander or officer to whom the authority to discharge soldiers may be respectively delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental post, or detachment commander, who will, if the discharge is authorized by the same authority, forward the proper certificate, and the soldier to be discharged with the proper final statement in duplicate, and forward both of them on the same day to the Adjutant General United States Army, as directed, to be sent to the Adjutant General, to be given to the hands of the soldier.

Jan^{the} 11. 1864

Brig. Genl. Whipple. Sir I hereby
tender you my immediate and unconditional
Resignation as Capt. Of Co. "D" 15th. Regt.
N.Y. Vol Inf.

My Reasons are these
When I entered the Service I left my private
Affairs in Charge of my Brother. He has since
died. And there is no One to take Charge of my
Business. Which requires my immediate attention.
My Father has been in delicate health for the
last ten months. He has been confined to his room
a greater part of the time. And is unable to attend
to Business. My Company is small. and there is
One other Commissioned Officer with it. And it
is consistent with the interests of the Service. I.
Respectfully ask that my resignation be accepted,

I Certify that I have no Government Property in my
Possession. And that I am not indebted to the Government
And that I have not been absent without leave. And
there are no Charges against me. Which can affect
my Pay. Last Paid. By Paymaster Major Davis. It
includes the 31st day of December 1862. And that I
have been Commissioned from 1st Lieut. to Capt. And
taken the Oath of Office as Capt. But have not been
Mustered as Capt.
